## Expression of Interest (EOI) for Electrical & Instrumentation Scope of EITS Contractor for Provision of Storage Facilities

### EOI Reference: 1198-EOI-GFS-UG-ELE-Provision of Storage Facilities

EITS Contractor (Electrical & Instrumentation scope) on the EACOP project, invites experienced and reputable service providers to express their interest in the provision of Storage Facilities.

(EACOP = East Africa Crude Oil Pipeline Project. EITS = Electrical, Instrumentation, Telecommunication and Security Systems.)

#### SCOPE OF SERVICES FOR STORAGE FACILITIES:

##### 1. CITY STORAGE FACILITY (CENTRAL WAREHOUSE)

###### General Requirements

- Location: Easily accessible from major roads; proximity to City or Central hub in Kampala preferred.
- Size: Minimum 100m<sup>2</sup> scalable based on project load
- o 70m<sup>2</sup> for normal materials and 30m<sup>2</sup> for electronic parts and tools with controlled HVAC system.
- o Storage Management Software System and Shelves
- o Manpower to control/manage storage
- o Able to provide weekly report on storage status
- Security:
  - o 24/7 surveillance (CCTV)
  - o Visitor and Contractor Management System
  - o Controlled access (biometric or card-based)
  - o Perimeter fencing and lighting
- Environmental Controls:
  - o Ventilation and temperature control for sensitive equipment
  - o Fire suppression systems (sprinklers, extinguishers)
  - o Pest control measures
- Operational Features
  - o Inventory Management System: Digital tracking of incoming/outgoing items.

- o Loading/Unloading Area: Covered bays for trucks and forklifts.
- o Staff Facilities: Office space.
- o Power Backup: Generator or UPS for critical systems.
- Storage Specifications
  - o Racking Systems: Adjustable shelving for tools, spare parts, and consumables.
- o Compliance: Adherence to local safety and environmental regulations.
- o HVAC system for partial area (30m<sup>2</sup>)

##### 2. SITE STORAGE FACILITY (TEMPORARY OR SEMI-PERMANENT)

###### General Requirements

- Location: Within secure perimeter of the site, close to work zones across corridor of the pipeline i.e. MCPY's and PS's. 1 container per specified location.
- Size: 1No. 40 FT length container and 3No. 20FT length containers.
- Security:
  - o Lockable containers or prefabricated units
  - o Lighting for night visibility
- Operational Features
  - o Quick Access: Layout optimized for daily use by site teams.
  - o Weather Protection: Waterproof roofing and raised flooring.
  - o Signage & Labelling: Clear identification of zones and materials.
- Storage Specifications
  - o Tool Lockers: Secure cabinets for hand tools and power tools.
  - o Material Bays: Segregated areas for steel, cables, pipes, etc.
  - o Additional Considerations
    - o Mobility: Use of mobile storage units or containers for shifting needs.
- o Compliance: Adherence to local safety and environmental regulations.
- o Integration: Sync with central inventory system for tracking.
- o Fire Extinguisher

#### MINIMUM REQUIREMENTS:

- Certificate of Incorporation, URSB, NSSF, URA (TIN, VAT, TCC) Registrations
- Proof of registration on the Petroleum Authority of Uganda's National Supplier Database (NSD).
- Compliance with the Petroleum National Content Regulations, 2016, definition of Ugandan Company
- Company Profile, Audited financial statements for the past 3 financial years and a Letter from your Banker(s).
- At least 5 years of demonstrable experience and financial capacity in delivering such services.
- Ensure submission of all relevant statutory permit/license, certificate & Registration copies to facilitate the requested scope of work for Tools and Equipment
- Evidence of a Quality Health, Safety, and Environment (QHSE) management system including OSHA
- Valid ISO: ISO 9001, ISO 14001, ISO 45001 or equivalent (as applicable).

**Interested Companies should submit their EOI via email to [eacop.eits@se.com](mailto:eacop.eits@se.com) (not exceeding 20mbs). All documents must be submitted in English with the EOI reference: 1198-EOI-GFS-UG-ELE-Provision of Storage Facilities as the subject on or before Thursday, 11th December 2025, 5:00 pm. East African Time (EAT)**

Note: Only pre-qualified companies will receive an invitation to submit their bid in furtherance of the Call for Tender Process.
