

The scholarship you've been waiting for

EITS Contractors undertaking the Electrical and Instrumentation, Telecommunication & Security Systems scope on the EACOP project invites applications for its scholarship program developed under the EACOP Project. The initiative aims to promote national content by supporting academically gifted but financially disadvantaged students enrolled at Makerere University pursuing a Bachelor of Computer Science Third Year (Final Year).

PRIORITY FIELD OF STUDY

- Bachelor of Computer Science

WHO CAN APPLY?

Applicants must:

- Be continuing students entering fourth year
- Be Ugandan nationals
- Hold a second-class upper CGPA in third year
- Demonstrate financial need
- Have good disciplinary conduct
- Not hold another scholarship

REQUIRED DOCUMENTS

- National ID copy
- Recommendation letter from Makerere University academic staff
- Academic results/testimonial
- Proof of admission
- Submit a one-page personal statement highlighting your academic achievements, career aspirations, and the financial challenges you are currently facing. In your statement, explain why you believe you deserve the scholarship and how receiving this support will help you continue your education and achieve your future goals.
- CV with active telephone numbers and an active email address

SCHOLARSHIP GUIDELINES

The scholarship covers tuition fees only for one (1) academic year. Continued support is subject to:

- Maintaining good conduct as verified by Makerere university
