

REQUEST FOR EXPRESSION OF INTEREST: PROVISION OF MEDICAL SERVICES AND MEDICAL EVACUATION DURING OPERATION PHASE REFERENCE NO.00001160

East African Crude Oil Pipeline (EACOP) Ltd invites experienced and reputable companies or organizations to express their interest in the Provision of Medical Services and Medical Evacuation during Operation Phase in Tanzania.

Operation Overview: The EACOP Operation involves the operation of a buried and cross-border thermo-heated pipeline to transport crude oil from Lake Albert area in Uganda to eastern coast of Tanzania for export to international markets. The pipeline will run from Kabaale, Hoima District in Uganda to the Chongoleani peninsula in Tanga, Tanzania. The length of the pipeline is 1,443 km, of which 296km will be in Uganda and 1,147 km in Tanzania. In Uganda the pipeline will traverse two (2) regions which are Western and Central regions and in Tanzania, eight (8) regions comprising of Kagera, Geita, Shinyanga, Tabora, Singida, Dodoma, Manyara and Tanga, 27 administrative District Councils, and 231 Villages.

SCOPE OF SERVICE:

1. Provide Emergency Medical Evacuation (MEDEVAC) services for all EACOP worksites and operational areas from evacuation point to receiving hospital:
- Provide evacuation from worksites to appropriate hospitals in Tanzania.
- Provide evacuation from Tanzania to designated international hubs.
- Provide 24/7 emergency medical response capability.
2. Review and assessment of logistical providers and timelines for domestic and international medevacs, including an assessment of domestic road planning and management, availability of air-evacuation capabilities along the entire Right of Way.
3. Development of a specific Medical Assistance solution that will enable the Service Provider to support coordination of Medical Evacuation Services according to a common operational procedure, including the development of an operation-wide medical evacuation plan (MEDEVAC).
4. Implementation and management of medical facilities on all sites:
- Provision of Medical Supply Chain management (Drugs, Medical Consumables and Equipment, Laboratory Diagnostics Services, Ambulance).
- Management of Medical Staff on all sites (Medic / Paramedic / Ambulance driver)
- Provision of Medical quality management services
- Provision of Occupational Health services.
- Prevention and Public Health services.
- Provision of Consultancy, Medical Training, Medical Protocol and plan, audits, drills and expertise abilities.
- Provision of Telemedicine and Electronic Medical Records.

MINIMUM REQUIREMENTS:

Companies or Organization/local joint ventures expressing their interest are invited to submit documentation of their request with:

- Competence and capacity in delivering the Medical Services and evacuation outlined above at a large scale, in compliance with national and international standards, and with at least 10 years' experience / performance of similar services.
- Details of similar projects or activities undertaken/ provide evidence of previous contracts with major industrial or oil & gas clients.

- Valid Business License for trading petroleum products in Tanzania.
- Certificate of Incorporation and recent BRELA search report (attach current copy).
- Proof of Registration with the EWURA Local Supplier Service Provider (LSSP) database or a copy of an approved application at the time of submission of the response to this expression of interest is strongly recommended.
- Compliance with Local Content Regulations, 2017 and 100% owned by Tanzanians.
- Proof of registration with the Tanzania Revenue Authority (TRA) and Tax Clearance Certificate.
- Financial capacity to deliver the service
- Evidence of Quality, Health, Safety, and Environment (QHSE) management system compliant with local and industry standards. Relevant Registration/Certification with HSE regulatory bodies and Appropriate Licensing from relevant authorities.
- Evidence of Quality, Health, Safety, and Environment (QHSE) management system compliant with local and industry standards, supported by relevant certifications, licenses, and procedures to ensure EACOP HSE compliant
- All Medical personnel must be licensed, BLS and ACLS accredited and credentialed in Tanzania
- Suitably qualified and experienced personnel in Medical Evacuation Services for oil and gas projects that comply with IFC requirements.
- Financial capacity to deliver the services required including submission of financial accounts for the past three years
- Proof of Anti-corruption, Anti-bribery, Compliance and Human Rights policies.

Companies or organizations which have the ability, capacity, and resources to implement the activities listed above should express their interest by sending an Expression of Interest (EOI) via email, together with the above listed documents through an email to procurement.tz@eacop.com (max. email size 20MB) on or before **17:00 hours East African Time (EAT), on 5th August 2026.**

Email subject shall be: **REQ-00001160 Provision of Medical Services and Medical Evacuation during Operation Phase - TANZANIA.**

Statements of EOI should be no more than ten (10) to twenty (20) pages long. **All expressions of interest should be submitted in English Language.**

Note: EACOP Ltd will review and assess the documents provided by companies that have expressed interest in accordance with this EOI and conduct evaluations based on internal criteria to determine which companies, or local Joint ventures will be included in the list of pre-qualified companies or local Joint ventures. Only the pre-qualified companies or local Joint ventures will receive, by signing a Non-Disclosure Agreement (NDA), an invitation to bid as a continuation of the call for tender process. EACOP Ltd reserves the right at its sole discretion to make the decision to select or reject a company or local Joint ventures and maintain its decision without having to give reasons to the company or local Joint ventures concerned.
