

EAST AFRICAN CRUDE OIL PIPELINE

REQUEST FOR EXPRESSION OF INTEREST: PRODUCTION AND INSTALLATION OF CONCRETE PILLARS ALONG EACOP – UGANDA RIGHT OF WAY REFERENCE NO. EOI-00000121

East African Crude Oil Pipeline (EACOP) Ltd, an Oil and Gas company, invites experienced and reputable companies or organizations to express their interest to supply and install Concrete Pillars along the EACOP Right of Way in Uganda. EACOP project involves the construction and operation of a buried, cross-border pipeline to transport crude oil from the Lake Albert area in Uganda to the eastern coast of Tanzania for export to international markets. The pipeline will run from Kabaale in Hoima District, Uganda to Chongoleani, Tanga Region, in Tanzania. The length of the pipeline is 1,443 km, of which 296 km will be in Uganda.

With the land acquisition coming to the tail end, there is now a need to demarcate the right of way with permanent markers in the form of concrete pillars along both sides of the corridor.

BRIEF DESCRIPTION OF THE SCOPE OF THE SERVICES

The services to be provided shall include the following:

- Opening boundaries and georeferencing the erected concrete pillars
- Clearing of vegetation/grass cutting of the corridor.
- Casting and erecting the reinforced concrete pillars according to EACOP's specifications
- Painting the erected concrete pillars according to EACOP's specifications
- Testing and quality control

MINIMUM REQUIREMENTS

Companies or organizations expressing their interest are invited to document their request with

- Experience/performance in delivering tasks outlined above on a large scale in Uganda, in compliance with national and international standards and on at least 5 similar projects in the last 7 years.
- Experience in engaging project affected persons, communities, and stakeholders in similar infrastructure projects.
- List of current and potential workload
- Key suitably qualified personnel with lead personnel having experience (in fields such as cadastral surveys, civil engineering, land laws and community engagements)
- Sufficient equipment, logistics and staff resource to deliver the services required with multiple human resources to work simultaneously along the pipeline route.
- Applicant should follow the recommendations of the Surveyors Registration Board regarding terms of engagement in survey services.
- Financial capacity to deliver the services required. (Audited books of accounts of the previous two financial years)
- Proof of registration with the Uganda Revenue Authority (URA) and Clearance Certificate for the latest year for Tax and NSSF.
- Proof of current registration to the National Supplier Database.
- Up to date professional licensing from relevant in-country authorities for the provision of the services.
- Evidence of a QHSE Management system, organization, and process in compliance with applicable Local and Industry standards for similar works.

Companies which have the ability, capacity, and resources to implement the activities listed above should express their interest by sending together with the documents stated in the above section through an email to procurement.ug@eacop.com, (max. email size 20Mb) on or before 16:00 hours East African Time (EAT) on or before 17th February 2023. Statements of EOI should be no more than ten (10) to twenty (20) pages long. All Expression of Interests should be submitted in English language.

Note: The EACOP project will review and assess the documents provided by the interested companies to derive a list of prequalified companies. Only prequalified companies will receive, subject to signature of a Non-Disclosure Agreement (NDA), invitation to submit bids in furtherance of the call for tender process.
